AFFIDAVIT IN SUPPORT OF CRIMINAL COMPLAINT

| STATE OF NEW YORK |) | |
|-------------------|---|----|
| COUNTY OF ERIE |) | SS |
| CITY OF BUFFALO |) | |

I, EDMUND SUSMAN, being first duly sworn, hereby depose and state as follows:

- 1. I am a Special Agent for the Department of State, Diplomatic Security Service. Since December 2021, I have served as a Task Force Officer (TFO) to the Federal Bureau of Investigation (FBI) Joint Terrorism Task Force (JTTF) at the Buffalo Division located within the Western District of New York. As such, I am an "investigative or law enforcement officer of the United States" within the meaning of 18 U.S.C. § 2510(7), that is, an officer of the United States empowered by law to conduct investigations of and to make arrests for offenses enumerated in 18 U.S.C. § 2516.
- 2. This affidavit is submitted in support of a Criminal Complaint charging KHALED ABUGHANEM, WALEED ABUGHANEM, and ADHAM ABUGHANEM with a violation of Title 18, United States Code, Section 956(a)(1) (Conspiracy to Kidnap Persons in a Foreign Country).
- 3. The statements contained in this affidavit are based upon my investigation and personal knowledge, my review of official documents and records, and information communicated to me by other law enforcement agents and government officials. Because this affidavit is being submitted for the limited purpose of securing search warrants, I have not included each and every fact known to me concerning this investigation. Unless

specifically indicated otherwise, all conversations and statements described in this affidavit are related in substance and in part only.

RELEVANT STATUTE

4. Title 18, United States Code, Section 956(a)(1) states as follows:

Whoever, within the jurisdiction of the United States, conspires with one or more other persons, regardless of where such other person or persons are located, to commit at any place outside the United States an act that would constitute the offense of murder, kidnapping, or maiming if committed in the special maritime and territorial jurisdiction of the United States shall, if any of the conspirators commits an act within the jurisdiction of the United States to effect any object of the conspiracy, [is guilty of a crime].

PROBABLE CAUSE

- 5. Since approximately December 1, 2022, I have been investigating the circumstances surrounding, and reasons for, the travel of an adult American citizen, "Victim 1," to Yemen. As described below, the investigation to date has provided probable cause to believe that Victim 1 was tricked into traveling from the Buffalo, New York, area to Yemen. The investigation has further provided probable cause to believe that Victim 1's father and brothers—the defendants, KHALED ABUGHANEM, WALEED ABUGHANEM, and ADHAM ABUGHANEM—have attempted to force her to marry a person not of her choosing and have further discussed killing her if she does not abide by her father and brothers' wishes.
- 6. The facts described in this affidavit come from several sources, including the following:

- a. A report provided to the FBI by Victim 1's fiancé, ("Fiancé 1");
- b. A not-for-profit organization, which has advocated on behalf of Victim 1, provided the FBI with substantial information describing the circumstances surrounding Victim 1's removal from the United States. To date, the FBI has not been able to corroborate all information provided by this organization. However, information provided by the organization has been consistent with other information obtained from other sources throughout the course of the investigation;
- c. Email communications between your affiant and a person who I have reasonably confirmed to be Victim 1; and
- d. Records from U.S. Customs and Border Protection (CBP).

A. Victim 1's Travel to Mexico to Marry Fiancé 1

- 7. On or about September 1, 2021, Victim 1 travelled to Mexico to meet Mexican national Fiancé 1. Fiancé 1 and Victim 1 had known each other for almost nine years and were engaged to be married. Victim 1 did not inform her family of her travel to Mexico or her relationship with Fiancé 1.
- 8. Additionally, on or about September 1, 2021, KHALED ABUGHANEM (Victim 1's father), contacted the Lackawanna Police Department and reported that Victim 1 was missing. Specifically, KHALED ABUGHANEM reported to the Lackawanna Police Department that his other daughter (who was located in Saudi Arabia), had informed him

that Victim 1 had run away to get married. Lackawanna Police Department phone verified with Verizon that Victim 1 had traveled to Guadalajara, Mexico.

- 9. On or about September 2, 2021, Victim 1 notified KHALED ABUGHANEM of her travel. Also, on or about September 2, 2021, Fiancé 1 called KHALED ABUGHANEM via Skype and informed him that Victim 1 was safe at his home in Mexico. Fiancé 1 informed KHALED ABUGHANEM of his and Victim 1's intention to marry and invited KHALED ABUGHANEM to come to Mexico. KHALED ABUGHANEM feigned approval of the marriage and agreed to come to Mexico to plan a wedding for Fiancé 1 and Victim 1.
- 10. Between on or about September 2 and 7, 2021, KHALED ABUGHANEM made multiple phone calls to Victim 1, including one call in which he stated, according to Victim 1, in substance, that, he would come to Mexico and that "it will be the end for" Victim 1.1

B. The ABUGHANEM Family's Travel to Mexico to Involuntarily Return Victim 1 to the United States

11. CBP travel records show that, on or about September 8, 2021, Victim 1's parents—KHALED ABUGHANEM and Victim 1's mother—and one of her brothers, ADHAM ABUGHANEM, arrived in Mexico. Multiple phone calls between KHALED

¹ Quotes contained in this paragraph and throughout this affidavit are taken from email correspondence with Victim 1, and as of the date of this affidavit, have not been able to be verified independently.

ABUGHANEM and Fiancé 1 took place to discuss the details of their meeting. Fiancé 1 initially planned for the families to meet at his mosque with a trusted Imam to discuss the marriage. KHALED ABUGHANEM refused this invitation, reportedly stating, "I will not be taught Islam," and demanded that they (meaning KHALED ABUGHANEM and Fiancé 1) speak privately.

- 12. According to Victim 1, during one of the phone calls, she stated to KHALED ABUGHANEM that she wanted to marry Fiancé 1 very soon, and that she wanted to stay in Mexico. KHALED ABUGHANEM suggested that they have dinner and stated that he would agree to what Victim 1 and Fiancé 1 wanted.
- 13. On or about the evening of September 8, 2021, the ABUGHANEM family (KHALED, Victim 1's mother, ADHAM, and Victim 1) met with Fiancé 1 and his family at the Palominas Providencia restaurant located in Guadalajara, Mexico. According to Victim 1, KHALED ABUGHANEM addressed the room while Victim 1's mother begged Victim 1 in Arabic to come to their hotel for one night only "just to make things right, and that they are not going to do anything".
- 14. According to Victim 1, while at the restaurant, KHALED ABUGHANEM yelled at Fiancé 1's family for Victim 1's actions; he threatened Victim 1's mother with divorce; and he threatened Victim 1 in Arabic that bad things would happen if she did not come to the hotel. Victim 1 then acquiesced to her mother's request. The ABUGHANEM family traveled from the restaurant to the hotel via Uber. According to Victim 1, upon arrival

at the hotel, KHALED ABUGHANEM and ADHAM ABUGHANEM stayed in the lobby while Victim 1's mother was ordered to perform a "virginity test" on Victim 1 in the 12th floor hotel room. (The test was not performed.)

- 15. Victim 1 then spoke to KHALED ABUGHANEM and ADHAM ABUGHANEM about her intention to marry Fiancé 1 and return to his home the next day. Victim 1 reported that KHALED ABUGHANEM became furious, stating that he wanted to take Victim 1 to Egypt or Yemen directly from Mexico, and demanded that Fiancé 1's family pay him 30,000 USD. When Victim 1 disagreed, according to her, KHALED ABUGHANEM threatened to throw her from the hotel's 12th floor balcony if she did not comply with his orders. According to Victim 1, KHALED ABUGHANEM then stated, "I will have no problem becoming a criminal in this country," and he stated that he knew "hitmen" in Mexico "who can do the job for him." At some point during the evening, KHALED ABUGHANEM booked tickets for Victim 1 and her family to return to the United States on September 10, 2021.
- 16. On or about the morning of September 9, 2021, KHALED ABUGHANEM realized that Victim 1 did not have her U.S. Passport with her and traveled without warning, via Uber, to Fiancé 1's residence. Fiancé 1's mother arrived at the residence just behind the ABUGHNAEM family and allowed them into the home, which was occupied at the time by Fiancé 1 and his sister. According to Victim 1 and Fiancé 1, once inside the home KHALED ABUGHANEM remained in the living room while Victim 1 went upstairs, with Fiancé 1 and Fiancé 1's sister, to the bedroom where Victim 1 had been staying. Victim 1's mother and

ADHAM ABUGHANEM, at KHALED ABUGHANEM's order, then forcibly entered the bedroom and collected Victim 1's belongings and identification documents, which included her U.S. Passport.

- 17. Victim 1 stated she did not want to leave with them. According to Victim 1, her mother then twisted Victim 1's wrist and forced her downstairs. Once downstairs, KHALED ABUGHANEM prevented Fiancé 1's mother from obtaining Victim 1's passport by hiding it in his shirt in an effort to prevent Victim 1 from staying in Mexico. According to Victim 1, she was then dragged and pushed out of the residence into the Uber to return to the hotel.
- 18. On or about the evening of September 9, 2021, ADHAM ABUGHANEM called Fiancé 1 to have their families meet at the restaurant Menta Negra, purportedly to discuss Victim 1 and Fiancé 1's future wedding and also suggested that this would be an engagement party. ADHAM ABUGHANEM advised Fiancé 1 to bring any remaining belongings of Victim 1 to the restaurant, as the ABUGHANEM family (including Victim 1) would be returning to the United States the next day. The meeting was attended by KHALED ABUGHANEM, Victim 1's mother, ADHAM ABUGHNAEM, Victim 1, Fiancé 1, and Fiancé 1's family.
- 19. KHALED ABUGHANEM and Fiancé 1's father discussed a "gentleman's agreement" following the above-described incident at the residence. They agreed that Victim 1 would come to the United States first so that a party could be held, and that he (KHALED

ABUGHANEM) would file for the K-1 Fiancé visa for Fiancé 1 and bring Fiancé 1 to the United States for the marriage. At the restaurant, Fiancé 1 proposed to Victim 1 and presented her with a ring in front of KHALED ABUGHANEM. In addition, Fiancé 1's family presented gifts. According to Victim 1, following the meeting, the ABUGHANEM family returned to the hotel where KHALED ABUGHANEM threw away the gifts and stated that he never intended to allow Victim 1 to follow through on the engagement. KHALED ABUGHANEM forcibly took the engagement ring from Victim 1. KHALED ABUGHANEM then took Victim 1's phone as she was attempting to contact Fiancé 1. When she protested, Victim 1's mother threatened Victim 1 to not make trouble.

20. On or about September 10, 2021, Victim 1 involuntarily departed Mexico at KHALED ABUGHNAEM's direction and arrived in Buffalo, NY; the ABUGHANEM family was picked up at the Buffalo International Airport by WALEED ABUGHANEM (Victim 1's other brother) and transported to the family residence in Lackawanna, NY. Upon arrival at the residence, KHALED ABUGHANEM again took Victim 1's phone and, according to Victim 1, changed the Wi-Fi network password for the home to prevent Victim 1 from having Wi-Fi access. According to Victim 1, KHALED ABUGHANEM told Victim 1 that, "she would be traveling outside the United States whether she liked it or not, or he would bury her in the backyard". ADHAM ABUGHANEM (Victim 1's other brother) took Victim 1's laptop and, with the assistance of KHALED ABUGHANEM, systemically changed all Victim 1's passwords to social media and email accounts, then subsequently deleted them, preventing her from any communication with Fiancé 1. Victim 1 asked her

mother why this was happening and her mother stated, according to Victim 1, that they were "not ever going to let her marry Fiancé 1 and lied to just to get her out of Mexico".

- 21. According to Victim 1, she attempted to flee the residence only to find that all doors had been locked. KHALED ABUGHANEM then pushed her against the stairs and attempted to hit her but was stopped by WALEED ABUGHANEM. According to Victim 1, KHALED ABUGHNEM also installed a camera inside Victim 1's bedroom to monitor her movement. Additionally, ADHAM ABUGHANEM called the University of Buffalo from his phone and coerced Victim 1 to withdraw herself from the University of Buffalo, where she had been a student. According to Victim 1, she was forced by ADHAM ABUGHANEM to speak into his phone who directed her exactly what to say. ADHAM ABUGHANEM then muted the phone when Victim 1 tried to ask for help. Additionally, ADHAM ABUGHANEM emailed the University of Buffalo while impersonating Victim 1 to complete the withdrawal.
- 22. According to Victim 1, from on or about September 10 through 20, 2021, Victim 1 was under constant threat of harm, restricted to the ABUGHANEM residence, and not allowed to leave or have any contact with anyone except family. While Victim 1 was restricted to the residence, KHALED ABUGHANEM and Victim 1's mother told her that she must travel with them to Egypt for multiple reasons, including but not limited to:
 - a. If she did not travel with them, they would keep her locked in the Buffalo home without contact with the outside world forever. They told her no one would ever help her, including the police;

- b. If she did not travel with them, they would kill her, Fiancé 1, and his family;
- c. If she did not travel with them, they would never agree to her marriage with Fiancé 1; and
- d. If she went to Egypt with them, they would hold a wedding for her and Fiancé
 1 in Egypt.

At no point while she was in Buffalo did Victim 1 know that her family planned to traffic her to Yemen for the purposes of a forced marriage to a husband of the family's choosing. Victim 1 was also forced to submit to a "virginity test" conducted by her mother at the direction of KHALED ABUGHANEM. Additionally, according to Victim 1, KHALED ABUGHANEM assaulted Victim 1 during this period of confinement, throwing her into the stairs in a furious rage, which was only stopped by the intervention of her mother and ADHAM ABUGHANEM.

C. Victim 1's Removal to Yemen and Subsequent Investigation

Department stating he had not been able to contact his fiancé, Victim 1, in over a week and believed that KHALED ABUGHANEM and Victim 1's mother were preventing her from calling him. Lackawanna Police responded to the ABUGHANEM residence. Victim 1 reported seeing the officers but was not made aware that they were there for her; she did not have an opportunity to talk to them privately. The officers spoke to KHALED ABUGHANEM and ADHAM ABUGHANEM. The officers advised them to contact Fiancé 1. Following this encounter, KHALED ABUGHANEM and Adham ABUGHANEM began working on acquiring tickets to Egypt.

- 24. On or about September 23, 2021, KHALED ABUGHANEM, Victim 1's mother, ADHAM ABUGHANEM, Victim 1's little brother, another of Victim 1's brothers, and Victim 1's little sister (hereafter referred to as the ABUGHANEM family) were driven to Ohio by another of Victim 1's sisters and WALEED ABUGHANEM to board a flight to Dallas, Texas, connecting to a following flight to Doha, Qatar. After dropping off the ABUGHANEM family at an airport in Ohio, WALEED ABUGHANEM and Victim 1's sister did not travel and returned to Buffalo, NY. Upon arrival in Dallas, Victim 1 stated that her family was denied boarding for the flight to Doha, Qatar due to not having the required COVID testing. KHALED ABUGHANEM refused to pay for testing, resulting in the family being denied boarding altogether. As a result, the ABUGHANEM family had to stay at a hotel in Dallas, TX for three days pending approval to fly to Doha, Qatar. During that time, Victim 1 was restricted to the hotel room and unable to leave. On or about September 26, 2021, the ABUGHANEM family arrived at the Dallas Airport.
- 25. According to Victim 1, she was restricted from accessing any electronic devices, was not allowed to use the restroom by herself, and was under threat of harm by KHALED ABUGHANEM and her mother. That same day, the ABUGHANEM family boarded a flight to Doha, Qatar via Qatari Airlines, with a connection to Cairo, Egypt. Victim 1 stated that she was not allowed to sit by herself or use the screens on the back of the airline seats due to KHALED ABUGHAEM's fear that she would have access to a Wi-Fi connection. The ABUGHANEM family arrived in Cairo, Egypt on or about September 27, 2021, and according to Victim 1, KHALED ABUGHANEM stated to her as they were leaving the

airport that "you are no longer in the West, you are in the Middle East, women like you are killed".

- 26. According to Victim 1, from on or about September 27 through October 22, 2021, Victim 1 was held locked in a 7th floor apartment at an unidentified location in Cairo, Egypt. The elevator to the building was controlled via a guard posted right next to the elevator, and the elevator itself was controlled via a "chip". The stairs were blockaded, and the balcony provided no means of escape. Victim 1 attempted to escape several times but was unable to move around Cairo as she did not know how to navigate through the city, nor did she have any money. During this time, Victim 1 kept a written journal of the events that had transpired to date until she got caught writing in the journal. According to Victim 1, her journal was forcibly taken by KHALED ABUGHANEM, who read it. Victim 1 stated that KHALED ABUGHANEM then stated, "these words you wrote can be used as evidence once given to the police, they're dangerous". Victim 1 believes that at least portions of the journals were photographed, as she saw them on Khaled ABUGHANEM's phone.
- 27. On or about October 21, 2021, the ABUGHANEM family left the apartment for Cairo Airport for onward travel to Aden, Yemen. During this ride to the airport, the family friend who drove the ABUGHANEM family spoke to Victim 1 about a story of a Yemeni father who killed his daughter because she engaged in conduct that was inconsistent with Yemeni culture. Upon arrival at the Cairo Airport, Victim 1 attempted to get help from the ticket agent, but was unsuccessful. Victim 1 then attempted to escape from the waiting area but was prevented from doing so by KHALED ABUGHANEM.

- 28. On or about October 22, 2021, the ABUGHANEM family arrived in Aden, Yemen, and booked a driver to transport the ABUGHANEM family into the Houthi controlled city of Sanaa, Yemen. According to Victim 1, the ABUGHANEM family was stopped at numerous checkpoints and searched, taking their passports for inspection. Victim 1's passport was taken by soldiers at one of the checkpoints and inspected for 30 minutes.
- 29. After arriving in Sanaa, Yemen, the ABUGHANEM family stayed in two different apartments before Victim 1 was moved to the location in Sanaa, where she is currently being held by her family. According to Victim 1, on the second or third day, KHALED ABUGHANEM proposed a Houthi wedding for which he (KHALED ABUGHANEM) would be paid 500,000 USD. Victim 1 refused. Victim 1 stated that that is not what she wants, that she will never agree, and that KHALED ABUGHANEM cannot do that to her. According to Victim 1, KHALED ABUGHANEM became enraged at her refusal and screamed "yes I (KHALED ABUGHANEM) can, I am in Yemen now, no one can judge me or hold me accountable". KHALED ABUGHANEM then physically assaulted Victim 1 by whipping her with his belt and strangling her with his hands. According to Victim 1, the bruising was bad enough that she had to hide the bruises on her neck, arms, and back whenever anyone was around. Victim 1 believes she only survived the assault due to the intervention of her mother.
- 30. On or about November 17, 2021, Fiancé 1 called the Lackawanna Police Department stating that he had not been able to contact his fiancé Victim 1 in two months. The Lackawanna Police Department responded to the ABUGHANEM residence and were

told by a family member who answered the door that "Victim 1 is fine". Fiancé 1 and the Lackawanna Police Department were unaware that Victim 1 had already been taken to Sanaa, Yemen. Lackawanna Police reported that after this call, a lawyer who allegedly represents the ABUGHANEM family requested that they stop making welfare checks.

- 31. According to Victim 1, from on or about October 22, 2021, until March 2022, Victim 1 was held against her will in the apartment in Sanaa, Yemen under the supervision of KHALED ABUGHANEM. During this time, Victim 1 stated that:
 - a. KHALED ABUGHANEM threatened to kill Victim 1 multiple times; and
 - b. KHALED ABUGHANEM made it clear that he brought Victim 1 to Yemen so that, if she did not comply with his orders, he could commit an honor killing against her without being held accountable by American authorities.
- 32. In approximately March of 2022, KHALED ABUGHANEM departed Yemen to travel to the United Arab Emirates (UAE) to obtain visas for the ABUGHANEM family, except for Victim 1. Victim 1 stated while talking on the phone about why she did not get a visa, KHALED ABUGHANEM told her, "I should've killed you before I left Yemen, you bitch, my biggest mistake was to keep you alive." Victim 1 also stated that KHALED ABUGANEM told her that he had the money for a third party to kill her and that the American government could not stop him.
- 33. In approximately April 2022, Victim 1's mother and other members of Victim 1's family departed Yemen for the UAE, leaving Victim 1 in the supervision of ADHAM

ABUGHANEM. Victim 1 remained restricted to the apartment, without contact with the outside world.

- 34. In approximately June 2022, WALEED ABUGHANEM arrived in Sanaa, Yemen and assisted in keeping Victim 1 restricted to the apartment. In approximately September of 2022, ADHAM ABUGHANEM departed Yemen for the UAE, leaving WALEED ABUGHANEM responsible for keeping Victim 1 in Yemen and restricted her from contacting anyone.
- 35. On or about November 15, 2022, Victim 1 learned from her family that they did not intend to bring her back to the U.S. According to Victim 1, KHALED ABUGHANEM and WALEED ABUGHNAEM want her to marry in Yemen and remain in Yemen. According to Victim 1, KHALED ABUGHANEM wants Victim 1 to remain in Yemen where he believes that he can have her killed without any repercussions from U.S. law enforcement.
- 36. On or about December 17, 2022, WALEED ABUGHANEM departed Sanaa, Yemen, leaving Victim 1 in the custody of his spouse. Upon arrival into the U.S. Port of Entry at Boston, MA, WALEED ABUGHANEM was referred to secondary inspection by CBP.
- 37. During the CBP inspection, a border search of WALEED ABUGHANEM's electronic device(s) was conducted by CBP. This examination revealed a text message

conversation in a Yemeni dialect of Arabic between WALEED ABUGHANEM (based upon investigation, whose phone number I know to be 716-xxx-5605) and KHALED ABUGHANEM (based upon investigation, whose phone number I know to be 716-xxx-6111) from on or about December 8, 2022, through on or about December 12, 2022, discussing Victim 1. Parts of that conversation that appear to pertain to Victim 1 were translated into English by an FBI linguist. A portion of the translation is shown in Exhibit A, which is attached to this affidavit and incorporated by reference herein. Relevant portions of the conversation revealed the following:

- a. WALEED ABUGHANEM texted that "I'd say, keep her here until she knows what is right," and that "obedience to you [i.e., KHALED ABUGHANEM] is obedience to God, everyone else go to hell";
- b. KHALED ABUGHAEM texted that, "I do not want her to come back with you and then run away";
- c. KHALED ABUGHANEM instructed WALEED ABUGHANEM to talk to Victim 1: "Alone, talk to her and if you find her to be sincere, tell her fine, I will vouch for you with my dad (meaning KHALED ABUGHANEM) on the promise that you would not make the mistake again, and you would listen and carry out anything they ask of you, and see what her response will be. In writing";
- d. KHALED ABUGHANEM texted that, "I would never vouch for her, if she runs away again, she would never come back";
- e. KHALED further texted instructions to WALEED: "Ok, just test the waters, and be astute. This would bring shame to you, you know. We would not be

- able to restrict her in the U.S., she disregards the moral values, the customs, the traditions, her brothers, her father, her family; she discarded all that and just left. You see?";
- f. WALEED texted KHALED that he spoke with Victim 1 and that "I agreed with her that she would finish her studies and we (meaning WALEED ABUGHANEM and KHALED ABUGHANEM) marry her off, so she would settle down";
- g. WALEED texted, "I will take care of everything and father, I am at your command. Ask and I will do";
- h. WALEED further texted "I swear to God, I am with you. That's it! I will travel alone. Whatever you say! We are at your command. She will stay here until she realizes what is right. Even if that means she stays (here) her whole life. If she does not straighten up, she should be killed, and no one would say anything. All right! That's what will happen"; and
- i. KHALED ABUGHANEM texted in response, "Waleed, you are responsible for her." KHALED further texted WALEED that "I don't trust her at all, but I think you are right, and you can take responsibility of your sister, and if she is in your hand, then go ahead. There will be no studies, she must get married, and is she wants to finish her studies, she can do that while with her husband. She is no longer my daughter. After what she did, she has no rights. Once she enters the U.S., you won't be able to do anything to her".

- 38. This examination also revealed a text message conversation in a Yemeni dialect of Arabic between WALEED ABUGHANEM (based upon investigation, I know to be using the phone number 716-xxx-5605) and Adham ABUGHANEM (based upon investigation, whose phone number I believe to be 1 (+) 20 363 xxx 7794) from on or about December 11, 2022, through on or about December 12, 2022, discussing Victim 1. Parts of that conversation that appear to pertain to Victim 1 were translated into English by an FBI linguist. A portion of the translation is attached as Exhibit B, which is attached to this affidavit and incorporated by reference herein. Relevant portions of the conversation revealed the following:
 - a. WALEED ABUGHANEM texted Adham ABUGHANEM, "What is your decision with regards to your sister? The most suitable...";
 - b. Adham ABUGHANEM responded and texted that, "She stays there and get married while with you. If she wants to get out with her husband, it should be

² I have been unable to verify that this phone number belongs to Adham ABUGHANEM. However, Victim 1 identified the current locations of her family members and noted that her brother Adham ABUGHANEM was living in the United Arab Emirates, while Waleed ABUGHANEM was living with her in Yemen. I also know that Khaled ABUGHANEM maintains the phone number 716-717-6111. Thus, the only one of Victim 1's adult brothers who was outside of the United States during this time period was ADHAM ABUGHANEM. Further, the phone number that I believe to be ADHAM ABUGHANEM's is from a WhatsApp group chat, which I believe, based on the description from ADHAM, WALEED, messages contain to ABUGHANEM. Additionally, one of the last text messages sent to WALEED ABUGHANEM is an instruction to delete the group and the saved messages, potentially explaining why the contact is not in WALEED ABUGHANEM's contact list. Finally, a conversation described in footnote five refers to "three minds" being "better than one." Based on this; the content of the conversations described in Exhibits B and C; and the information described in footnote 5, I submit that there is probable cause to believe that phone number described in paragraph 40 belongs to ADHAM ABUGHANEM.

³ Given its volume, the translation of this entire text conversation is not yet complete. The linguist assisting with this investigation was asked to first translate communications that appeared to refer to Victim 1.

- in five years. Type to me. We don't want her to hear. We've had enough. Two things are unreliable: Breaks and women.";
- c. Adham ABUGHANEM further texted WALEED, "This is what I think: 1.
 She stays with you and get married. 2. She stays with you and get married to someone from the Emirates...3. No [coming back to] America. All this should happen in 2023."; and
- d. Adham ABUGHANEM texted WALEED that, "OK. Close this subject and keep an eye on the document in the safe, the net, and the phones.4 If she was willing to go to Mexico, it means she is not that simple. Be careful. Yemeni women are naïve. They are stupid, don't let her play them. If she tried to discuss the travelling matter, end the discussion. Go ahead. Delete the group and the saved conversations. No Wi-Fi in your apartment.. In the guest room only."
- 39. Additionally, this examination revealed a portion of text message conversation in a Yemani dialect of Arabic between WALEED ABUGHANEM (716-xx-5605) and ADHAM ABUGHANEM (whose phone number I believe to be 347-xxx-7976) from on or about September 2, 2021, through on or about September 24, 2021, discussing Victim 1.5

⁴ Based on my investigation, I believe that "the document" refers to Victim 1's U.S. Passport.

⁵ I have been unable to verify that this phone number belongs to ADHAM ABUGHANEM. However, travel records show that the only adult members of the ABUGHANEM family who went to Mexico in or around September 2014 were KHALED ABUGHANEM, who has maintained the phone number 716-xxx-6111; KHALED ABUGHANEM's wife, whose phone number was not found in this text conversation; and ADHAM ABUGHANEM. Additionally, "Adham" is listed in Waleed ABUGHANEM's contacts under +96777xxx6183, and "my nig***" under the phone number 77xxx6183. Because these appear to be the same phone numbers, I believe that this shows that Waleed ABUGHANEM identifies ADHAM ABUGHANEM as "my nig***" in his phone. The (347) xxx-7976 number described in paragraph 40 appears in old text records as "my nig***, but the number is not in WALEED ABUGHANEM's address book. Finally, one of the incoming messages in Exhibit

Parts of that conversation that appear to pertain to Victim 1 were translated into English by an FBI linguist. The translation is attached as Exhibit C, which is attached to this affidavit and incorporated by reference herein. Relevant portions of the conversation, which were sent during the time of the events in Mexico described above, revealed the following:

- a. WALEED ABUGHANEM texted ADHAM ABUGHNAEM, "What did you do with the whore?";
- ADHAM ABUGHANEM responded and texted, "The first part of the plan worked.";
- c. WALEED ABUGHANEM texted, "which is? She stays with you. Or she travels to Egypt.";
- d. ADHAM ABUGHANEM texted, "We took the woman to the hotel at her consent. And don't tell anyone. Not Ghadir or anyone and delete the messages when we get her in the U.S.";
- e. WALEED ABUGHANEM texted ADHAM ABUGHANEM that, "The most important thing is have the girl return with you.";
- f. ADHAM ABUGHANEM responded and texted, "We have the woman with us..but her belongings are in their house. We will give it to them tomorrow. Don't you worry. The first plan worked out. It was all with her consent. We need the documents, and we need to enter the U.S. and you take it from there.";

C states, "OK. We will go to dad tomorrow. We will see what he thinks. Three minds is better than one." Based on this, as well as the content of the conversations, I submit that there is probable cause to believe that this phone number was used by ADHAM ABUGHANEM.

- g. WALEED ABUGHANEM responded and texted, "The most important thing is: Do not tell her about marrying another man. I mean about another man. She will get suspicious. Tell your mom not to tell her.";
- h. ADHAM ABUGHANEM responded and texted, "There are three plans.";
- i. WALEED ABUGHANEM responded and texted, "Have her come here and don't you worry. Leave it to me. Be careful, she could leave when you are sleeping. The most important thing is: Don't let her sit with the guy or contact him by phone or messages. Tell dad not to raise his voice or talk to much. Keep things cool. So that she will feel safe and do what you want her to do.";6
- ADHAM ABUGHANEM texted on or about September 11, 2021, that "We are at the airport.";
- k. ADHAM ABUGHANEM texted on or about September 14, 2021: "Make sure the back door is closed. And stay up late at the living room. So she doesn't get out. If you are going to sleep, send me a message so I can check the two areas. I have another plan. Tell me what you think. I can go to Egypt ahead of her. I should go by myself to prepare things, like the apartment and what not. This will give us some extra time with her, we will do whatever she wants. Meanwhile, your father finishes his work, and the passports would be ready by then. We will have time to resolve the house matter. Once your father goes there, he will take them and travel to Egypt. So who will come with us in the beginning?";

⁶ Based on my investigation, your affiant believes this part of the conversation refers to the second restaurant meeting between the ABUGHANEM family and Fiancé 1's family in Mexico as described above.

- WALEED ABUGHANEM texted, "You, the woman, my mother, the kids, and I. When she sees that we are all with her, she'd think it's for the wedding.";
- m. ADHAM ABUGHANEM texted, "But you should not trust a young woman.

 No matter who. We have to install a camera or have your mother and the kids stay.";
- n. WALEED ABUGHANEM texted, "Before we leave we will install cameras, so that we can see everything.";
- o. ADHAM ABUGHANEM texted, "Is that good? Osama can stay with Ghadeer and her daughter, and we.";
- p. WALEED ABUGHANEM texted, "I will install the cameras tomorrow.";
- q. ADHAM ABUGHANEM texted, "Okay. Now we to strategize how to make the next move. With consent. Sound and image! And connect it to the internet so that we can check from our phones."; and
- r. WALEED ABUGHANEM texted, "Your mother wants to mess up everything. She wants to tell [Victim 1] if we marry her off, would she agree. She will ruin everything."

WHEREFORE, based upon the foregoing, your affiant submits there is probable cause to believe that KHALED ABUGHANEM, WALEED ABUGHANEM, and ADHAM ABUGHANEM have violated Title 18, United States Code, Section 956(a)(1) ((Conspiracy to Kidnap Persons in a Foreign Country). I respectfully request that the Court issue the attached Criminal Complaint and arrest warrants for KHALED ABUGHANEM, WALEED ABUGHANEM, and ADHAM ABUGHANEM. I further request that the Court seal the

requested Criminal Complaint, this affidavit, and the requested warrants until such time as the warrants are effectuated.

Respectfully submitted,

Okay

Go ahead

S Id

I have another plan. Tell me what you think. I can go to Egypt ahead [of her]

There is not benefit to this

It's the same?

Go with them so she will feel you are with her

Don't think too much!

I should go by myself to prepare things, like the apartment and what not. This will give us some extra time with her, we will do whatever she wants. Mearwhille, your father finishes his work, and the passports would be ready by then. We will have time to resolve the house matter. Once your father go there, he will take them and travel to Egypt.

What for? The house is easy. We can take care of everything from here

If this is the case Stay here for a month and skip a week

M 13479777976 لو هكذا اجلسو هنا شهر وخطو جمعه

M 13479777976 لو هكذا اجلسو هنا شهر وخطو جمعه The house is not an issue there

She will wait, if she sees that I went ahead of her to take care of things she will wait.

Don't make it a big deal

How do you know?

Talk to your father

And see what he thinks

My head is going to burse.

Okay, but what do you think?

Tell me Do you think the plan is good, or does it have holes?

There is the house issue In this time, you will make problems here. Because you are not with her

You understand?

Greati But if she knows I will look for an apartment and get things ready for everyone. She will wait

me and we will work things out You and Ghadir don't have to come. Your father will finish work and will bring them with you. He will be with

I changed the whole thing

Think about it and tel me know

Okay I will teave with them.

And then I will let my wife in I'd be in Egypt

That's would be before your dad comes to take care of the house matters

M 13479777976 ويجي هو وغدير وينتها

And [before] he comes with Ghadir and her daughter

M 13479777976 ويجي هو وغدير ويلته
